Due to our mother's death on February 20, 2008, we were notified of a proposed settlement in the AIG matter. She was involved with a financial MISadvisor and we have no idea what stock she held or when she held it. All we know is that a good share of her money is gone. Therefore we,

Request for exclusion from the Settlement Class

I, Dorothy Elizabeth Wilber Smith, address 9204 Linkmeadow Drive, Austin, TX 78748 request exclusion from the PwC Settlement Class in In re AIG Securities Litigation, Master File No. 04-8141 (JES).

Since I work, I will give you only my home phone number which is 512/ 291-1893 -- my employer would not appreciate this type of interruption (nor would I). You have all the dates, prices and numbers of shares of all purchases and sales of AIG Securities during the Class Period so I do not need to furnish this either.

This is costing any shareholders for a lawsuit to be brought against AIG and should be illegal -- absolutely not the way I intended my investment to be spent

Re: Master File #: 04-8141 (JES)

My name is Susan H. Benson of 50 Lafayette Place, Lyndhurst, NJ 07071, (201) 507-5851. I am writing in reply to the recent AIG Securities Litigation Settlement Class Papers received from US District Court of Southern District of NY.

At this time, December 9, 2008, I would like to **EXCLUDE myself** from any settlement class action suit.

I cannot find the stock papers that I rolled over to Chase in April 2002 . Also, I cannot find my tax papers for that year – and that's not a good thing.

But, I did find some information from one document that might be of assistance to your litigation. Number of shares – not known. I cashed in my stock and rolled it over via Chase to TransAmerica on April 29, 2002 in the amount of \$7,334.26. The actual purchase of annuity with TransAmerica was completed on 5/13/01 in the amount of \$7,338.73.

I was employed with National Union Fire (AIG) of 160 Water Street from June 1999 – through January 2002. I was paid with severance until March 2002.

Recently, I was diagnosed with Breast Cancer and will be operated on this Friday, 12/12, and a little stressed out with this health issue. I cannot go through the stress of getting more of the information you will need, as I will be undergoing Radiation Treatments by end of December. I wanted to get this letter/information reply to you before the due date of 12/30/08 and before I undergo my treatments.

Again, sorry I could not be of more help to you.

Susan Benson

CLAIMS ADMINISTRATOR

LATE

This is an absolute waste of my time and energy. The court system and attorneys have all the records of who purchased and owned this stock "otherwise" how would you have my name and address to send me these forms??

In the past, I have spent hours of time filling out similar forms on other stocks, researching records and hasseling my broker for data. In the end we may be awarded \$.09 - \$.40 a share.

For the absorbment fee the attorneys receive in these matters, they should be able to provide you proof of purchase.

People who owned this stock lost money and these requests for proof of ownership, is like rubbing an open wound.

It is an insult. It is a blizzard of forms and paper and it is just not worth the time.

Doesn't even pay for the stamps to mail it back.

IN RE AMERICAN INTERNATIONAL GROUP,

This Document Relates To: All Actions

Master File No. 04 Civ. 8141 (JES) (AJP)

**NOTICE OF PROPOSED SETTLEMENT, MOTION
FOR ATTORNEYS' FEES AND EXPENSES
AWARD AND FAIRNESS HEARING**

**If You Purchased or Otherwise Acquired Securities Issued by American International Group, Inc.
During the Period From October 28, 1999 Through April 1, 2005, Inclusive, ("Class Period") and
Were Damaged Thereby, You May Be Entitled to Share in a \$97.5 Million Settlement
With Defendant PricewaterhouseCoopers LLP.**

PLEASE READ THIS NOTICE CAREFULLY.

**A Federal Court Authorized This Notice. This Is Not A Solicitation.
Your Legal Rights Are Affected Whether You Do Or Do Not Act.**

1. Statement of Plaintiff Recovery: This Notice advises you of a proposed partial settlement (the "Settlement") consisting of \$97.5 million in cash, plus interest as it accrues, of a consolidated class action lawsuit brought by the Ohio Public Employees Retirement System, State Teachers Retirement System of Ohio and Ohio Police & Fire Pension Fund (collectively, "Lead Plaintiff" or "the Ohio State Funds"), on behalf of the Settlement Class against PricewaterhouseCoopers LLP ("PwC") (the Lead Plaintiff and PwC collectively, the "Settling Parties") and 20 other defendants whose claims are not being settled. This Settlement is a final resolution of the Claims brought on behalf of the Settlement Class against PwC.

The action alleges, among other things, that during the Class Period, defendants made materially false and misleading statements and omissions in connection with the involvement of American International Group, Inc. ("AIG") in an illegal market division scheme with Marsh McLennan ("Marsh") and others, as well as a far-reaching accounting fraud that led to AIG's \$3.9 billion restatement or adjustment of earnings in May 2005. The Consolidated Third Amended Complaint ("Complaint") alleges violations of Sections 11 and 15 of the Securities Act of 1933 (the "Securities Act") and Sections 10(b), 20(a), and 20A of the Securities Exchange Act of 1934 (the "Exchange Act") and SEC Rule 10b-5 promulgated thereunder (the "Action").

The Settlement will resolve all claims against PwC and will create a Cash Settlement Account to pay the claims of investors who purchased or otherwise acquired AIG's publicly-traded common stock, debt and options during the Class Period. (See below at page 4 for more information about eligible "AIG Securities.") The Distribution Amount (the Cash Settlement Account less any Notice and Administrative Expenses, attorneys' fees and litigation expenses awarded to Lead Plaintiff's counsel, expenses awarded to Lead Plaintiff and certain Tax Expenses) will be distributed in accordance with a plan of allocation (the "Plan of Allocation"). Based on Lead Plaintiff's damages consultant's estimate of the number of shares of common stock entitled to participate in the Settlement, given the allocation of 5% of the recovery to debt purchasers and assuming that all shares entitled to participate do so, Lead Plaintiff estimates that the average recovery per damaged share would be approximately \$0.06 per share, before deduction of any court-awarded fees and expenses.¹ An individual Class Member's actual recovery will depend on many factors, for example: (1) the total number of claims submitted; (2) when the Class Member purchased AIG Securities during the Class Period; (3) the purchase price paid; (4) the type of security bought; and (5) whether those AIG Securities were held at the end of the Class Period or sold during the Class Period (and, if sold, when they were sold and the amount received). See the Plan of Allocation beginning on page 8 for more information on your potential Recognized Loss.

¹ An allegedly damaged share might have been traded more than once during the Class Period, and the indicated average recovery would be the total for all purchasers of that share.

2. **Reasons for Settlement:** The Settlement resolves claims against PwC, AIG's outside auditor during the Class Period, for allegedly violating the federal securities laws by making false and misleading public statements about AIG and its financial condition. However, the Settlement is not and should not be construed as an admission of any fault, liability or wrongdoing whatsoever by PwC. In light of the amount of the Settlement and the immediacy of recovery to the Settlement Class, Lead Plaintiff believes that the proposed Settlement is fair, reasonable and adequate, and in the best interests of the Settlement Class. Lead Plaintiff believes that the Settlement provides a substantial benefit in the form of \$97.5 million in cash (less the various deductions described in this Notice), as compared to the risks and delays of proceeding with the Action against PwC. These risks include the fact that there is no assurance that Lead Plaintiff would recover as much as was achieved in this Settlement at a later stage in the litigation. Moreover, even if the case were to proceed and a later recovery obtained, it would take several more years of discovery, motion practice, trial and further appeals to obtain such a recovery, during which time PwC would have the opportunity to assert substantial defenses to the claims asserted against it. The risks also include that PwC could prevail in the Action, in which case Lead Plaintiff would obtain no recovery at all from PwC.

3. **Statement of Potential Outcome if the Case Against PwC Continued:** The Settling Parties do not agree on the average amount of damages per share that would be recoverable even if Lead Plaintiff was to prevail on the claims asserted against PwC. PwC denies all liability. In addition, the Settling Parties disagree on, among other things: (i) whether certain statements made by PwC were false; (ii) whether PwC knew, or was severely reckless in not knowing, that certain of its statements and omissions about AIG were false or misleading; (iii) whether the alleged misstatements and omissions were material to investors; and (iv) the amount of inflation, if any, caused by the alleged misrepresentations and omissions.

4. **Statement of Attorneys' Fees and Expenses Sought:** Lead Plaintiff's counsel, Labaton Sucharow LLP and Hahn Loeser & Parks LLP, intend to apply for an award of attorneys' fees on behalf of all plaintiffs' counsel not to exceed 9% of the Cash Settlement Account, which will include interest as it accrues, and to seek reimbursement of litigation expenses paid and incurred in connection with the prosecution and resolution of the claims against PwC (the "Litigation Expenses"), in an amount not to exceed \$6 million. In addition, Lead Plaintiff may ask the Court to reimburse it from the Cash Settlement Account for costs and expenses it incurred directly related to its representation of the Settlement Class, in an amount not to exceed \$30,000. If the Court approves Lead Plaintiff's counsel's fee and expense application and Lead Plaintiff's application, the average cost per share will be less than \$0.01 per share.
